

DIRECTORS' REPORT

The Directors are pleased to present the annual report of Rahamkar Welfare Foundation ("the Foundation") for the year ended 30 June 2025.

2024-2025: AN OVERVIEW

The Foundation is working with the objective of providing financial assistance to the needy in areas of continued livelihood, education and social welfare. The Foundation extends financial support by way of tuition fees to students (both genders) and provision of social welfare and assistance during Ramadan to the needy. In addition, interest free loans are provided for small business investors to make people self-employed and improve their living standard.

During the year, the Foundation received donations of Rs. 2,905,000 (2023-2024: Rs. 2,338,000) and dispersed grants of Rs. 3,083,000 (2023-2024: Rs. 2,969,500). The Foundation mainly emphasize on education and make disbursement among the deserving families which includes Rs. 2,074,000 (2023-2024: Rs. 1,867,500) for tuition fee, books and uniform payments to students to motivate and encourage families to send their children to school, irrespective of gender.

Interest free loans of Rs. 3,870,000 (2023-2024: Rs. 2,780,000) were disbursed for sustainable livelihood. Loans were also given for working capital to those with a skill to earn a living but unable to access financial institutions due to lack of collaterals; or requiring small amounts to buy income generating assets. During the year, the Foundation increased the amount of interest-free loans to deserving families and recoveries of the loans during the year stood at 100%.

Activities of the Foundation are conducted on voluntarily basis by the Directors and well-wishers of the Foundation. The Foundation has no administration expenses, no salaries or rent to pay, and no utilities to pay for either. All the activities of the Foundation have been possible with continued help and generous contributions from Directors, members, friends and well-wishers. The success of the activities has given the Foundation a strong footing in the areas of its limited operation.

The Directors consider financial position of the Foundation as given in the balance sheet to be satisfactory.

FUTURE OUTLOOK

The Foundation endeavors to keep providing financial assistance to those in need in areas of education to both genders, particularly from the primary to high school level. Interest-free recoverable loans are to continue which support livelihood initiatives by the young, un-employed and deserving persons in the rural areas.

PROFIT APPROPRIATIONS

The Foundation is set up under section 42 (of the repealed Companies Ordinance, 1984) and is a non-profit organization.

AUDITORS

The present auditors, Peter & Co., Chartered Accountants, retire and being eligible, offer themselves for re-appointment and are recommended for appointment as auditors for the financial year ending 30 June 2026.

DIRECTORS

During the financial year and up to the date of this report, the following persons were the Directors of the Foundation:

- Mian Safiullah
- Mrs. Sayyada Rakhshanda Safiullah
- Mian Muhammad Faisal Banday
- Kashif Mumtaz Malik

ACKNOWLEDGEMENT

The Directors express their gratitude to the donors and members for their trust, valued support and look forward to their contributions and support to help the Foundation in meeting its objectives.

For and on behalf of the Board

Mian Safiullah
Chief Executive

Mian Muhammad Faisal Banday
Director

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF RAHAMKAR WELFARE FOUNDATION

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **RAHAMKAR WELFARE FOUNDATION** (the Foundation), which comprise the statement of financial position as at June 30, 2025 and the statement of income and expenditure and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of income and expenditure and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Foundation's affairs as at June 30, 2025 and of the income and expenditure and other comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in

accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Foundation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit Procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditors' report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Foundation as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of income and expenditure and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Foundation's business; and
- d) No zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditors' report is Oliver Peter Pervez.

CHIEF EXECUTIVE

DIRECTOR

**RAHAMKAR WELFARE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025**

1 STATUS AND OPERATIONS

Rahamkar Welfare Foundation ("the Foundation"), a company limited by guarantee under section 42 of the Companies Ordinance, 1984 (repealed with the enactment of Companies Act, 2017) was incorporated on January 01, 1992. The objectives of the Foundation are to provide financial assistance to the needy in the areas of continued livelihood, education, medical care and social welfare. The registered office of the Foundation is situated at 6th Floor, State Life Building No. 5, Jinnah Avenue, Islamabad.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Accounting Standard for Not for Profit Organizations (Accounting Standard for NPOs) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS standards or the Accounting Standard for NPOs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Standards, Interpretations and Amendments to the Approved Accounting Standards that are not yet effective

The standards, interpretations and amendments to the approved accounting standards as applicable in Pakistan but not yet effective have no impact on these financial statements.

2.3 Basis of measurement

These financial statements have been prepared under the historical cost convention.

2.4 Functional and presentation currency

These financial statements are presented in Pak Rupee, which is the functional and presentation currency of the Foundation and rounded off to the nearest rupees.

3 Material accounting policy information

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

3.1 Donations and grants

Donations and grants received without any conditions are recognized as income during the year of receipt.

**RAHAMKAR WELFARE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025**

3.2 Taxation

Under the provisions of Section 100C of the Income Tax Ordinance, 2001 the income of the Foundation being a welfare organization is subject to tax credit equal to one hundred percent of the tax payable provided the Foundation is compliant with its tax withholding obligations, filed its withholding statements, filed its annual tax return and has also obtained approval from the commissioner Inland Revenue under section 2(36) of the Ordinance as a non profit organization. Since the approval under section 2(36) of the Ordinance has not been obtained, therefore, the Foundation is not eligible to the tax credit. The amounts charged in respect of taxes which are not based on taxable profits are presented as levies in the financial statements of the Foundation.

3.3 Cash and cash equivalents

Cash and cash equivalents represent balance in bank account and carried at amortized cost.

3.4 Profit on bank deposit

Profit on bank deposit is recognized on time proportion basis using effective interest rate.

3.5 Provisions

Provisions are recognized when the Foundation has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed periodically and adjusted to reflect the current best estimates.

3.6 Financial instruments

The Company initially recognizes financial assets on the date when they are originated. Trade and other receivables are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

3.6.1 Financial asset

Classification

On initial recognition, a financial asset is classified as measured at:

- amortized cost;
- fair value through other comprehensive income (FVOCI); or
- fair value through profit or loss (FVTPL).

The classification of financial assets is based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

**RAHAMKAR WELFARE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025**

a) Amortized cost

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- i) it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii) its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Fair value through other comprehensive income (FVOCI)

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- i) it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii) its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Fair value through profit or loss (FVTPL)

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL.

Subsequent measurement

Financial assets at amortized cost

Measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in unconsolidated profit or loss. Any gain or loss on de-recognition is recognized in unconsolidated statement of profit or loss.

Debt investments at FVOCI

These assets are subsequently measured at fair value. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognized in unconsolidated profit or loss. Other net gains and losses are recognized in unconsolidated OCI. On de-recognition, gains and losses accumulated in unconsolidated OCI are reclassified to unconsolidated statement of profit or loss.

Financial assets at FVTPL

Measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in unconsolidated statement of profit or loss.

Equity investment at FVOCI

These assets are subsequently measured at fair value. Dividends are recognized as income in unconsolidated profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in unconsolidated OCI and are never reclassified to unconsolidated statement of profit or loss.

RAHAMKAR WELFARE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

De-recognition

The Foundation derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognized financial assets that is created or retained by the Foundation is recognized as a separate asset or liability.

3.6.2 Financial liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in unconsolidated profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in unconsolidated statement of profit or loss. Any gain or loss on de-recognition is also included in unconsolidated profit or loss.

The Foundation derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire. Any gain / (loss) on the recognition and de-recognition of the financial assets and liabilities is included in the unconsolidated statement of profit or loss for the period in which it arises.

3.6.3 Offsetting

Financial assets and financial liabilities are offset, and the net amount presented in the unconsolidated statement of financial position when, and only when, the Foundation currently has a legally enforceable right to offset the amounts and intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

	Note	2025 Rupees	2024 Rupees
4 INTEREST FREE LOANS			
Opening balance		1,957,200	1,102,500
Add: Amounts disbursed during the year		3,870,000	2,780,000
Less: Amounts recovered during the year		(2,713,000)	(1,925,300)
	4.1	<u>3,114,200</u>	<u>1,957,200</u>
Less: Current portion of loans		(2,603,500)	(1,910,400)
Non-current portion		<u>510,700</u>	<u>46,800</u>

4.1 These represent the unsecured interest free loans to poor and needy individuals in the area of continued livelihood for social and economic up-lift of their families. These are stated at the gross amounts as the impact of carrying at amortized cost is not material to these financial statements. Based on expectation of recoverability, expected credit loss is considered to be insignificant.

Unutilized balance	<u>-</u>	<u>-</u>

7 FINANCIAL INSTRUMENTS AND RELATED RISK MANAGEMENT DISCLOSURES

7.1 Financial risk management

Financial risk is analyzed into following categories:

- i. credit risk;
- ii. market, interest rate and currency risk; and
- iii. liquidity risk.

Board of Directors have overall responsibility for the establishment and oversight of the Foundation's risk management framework.

The Foundation's risk management policies are established to identify and analyze the risks faced by it, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Foundation's activities.

Board of Directors oversees how management monitors compliance with the Foundation's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Foundation.

**RAHAMKAR WELFARE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025**

i. Credit risk

Credit risk is the risk of financial loss to the Foundation if a counterparty to a financial instrument fails to meet its contractual obligations.

Credit risk arises from deposit with banks, investment, loans, advances and other receivables. The Foundation maintains bank balances with financial institutions of sound credit rating. Accordingly, the Foundation is not exposed to significant credit risk.

The carrying values of financial assets which are neither past due nor impaired are as under:

	2025	2024
	Rupees	Rupees
Cash with bank	3,818,643	5,162,971
Interest free loans	3,114,200	1,957,200
	<u>6,932,843</u>	<u>7,120,171</u>

ii. Market, interest rate and currency risk

Market risk

Market risk is the risk of change in market prices, such as foreign exchange rates and interest rates. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The Foundation is not exposed to significant market risk.

Interest rate risk

The interest rate risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises from interest bearing investments. At the reporting date, the interest rate risk profile of the Foundation's interest bearing financial instruments is:

	2025	2024
	Rupees	Rupees
Fixed rate instruments		
Cash at bank	<u>3,818,643</u>	<u>5,162,971</u>

The Foundation is not exposed to significant variations in income and expenditure account on its fixed rate financial instruments.

Currency risk

Currency risk represents the risk that the fair values or future cash flows of financial instruments will fluctuate because of changes in foreign exchange rates. The Foundation is not exposed to any currency risk.

iii. Liquidity risk

Liquidity risk is the risk that the Foundation will not be able to meet its financial obligations as they fall due. The Foundation's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or damage to the Foundation's reputation.

**RAHAMKAR WELFARE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025**

7.2 Fund management

The Board of Directors of the Foundation monitors the performance along with the funds required for the sustainable operations of the Foundation. There were no changes to the Foundation's approach to the fund management during the year. The Foundation is not subject to externally imposed fund requirements.

7.3 Determination of fair values

The carrying amounts of all financial assets and liabilities reflected in the financial statements approximate their fair values.

7.3.1 Fair value hierarchy

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Transfers between levels of the fair value hierarchy are recognized at the end of the reporting period during which the change has occurred.

7.3.2 Determination of fair values

The Foundation's accounting policies and disclosures require the determination of fair values, for both financial and non-financial assets and liabilities. Fair values have been determined for measurement and / or disclosure purposes based on the following methods.

7.3.3 Non - derivative financial assets

The fair value of non-derivative financial assets is estimated as the present value of future cash flows, discounted at the market rate of interest at the reporting date. This fair value is determined for disclosure purposes.

7.3.4 Non - derivative financial liabilities

The fair value of non-derivative financial liabilities which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

The following table shows the carrying amounts of financial assets and financial liabilities. It does not include fair value information for financial assets and financial liabilities not measured at fair value as these are either short term in nature or reprice periodically. Therefore, their carrying amounts are reasonable approximation of fair value.
